ATTENDANCE & RESCHEDULED CLASSES

All dancers are expected to attend every class that they are signed up for. No refunds are issued for missed classes.

If a dancer is going to miss a class, NCDS needs to be notified ahead of time. Send an email to nebraskacitydance@gmail.com or call the studio (402)209-2178 to let us know a dancer will be missing class.

Rescheduled classes will only be offered for inclement weather or for an instructor’s purposes. For either of these reasons, parents/guardians and dancers will be notified of the rescheduled day and time.

Dancers **MUST attend every rehearsal during Recital Week** to be able to participate in the end of year performance. If your dancer is not able to attend the year-end rehearsal week and recital, please notify NCDS Board Member **as soon as possible**.

INCLEMENT WEATHER

Cancellations due to weather will be made by 2:30pm and notifications will be issued. If NCDS cancels class due to inclement weather parents/guardians and students will be notified via Remind, Facebook. As always, we ask for parents/guardians and students to use their best judgment, as your safety is our main concern during these times.

Classes rescheduled due to inclement weather will be posted on NCDS website's announcement page and posted at the dance studio once they have been determined.

INJURY POLICY

Communication is key when dealing with injuries. If a dancer is injured, please send an email to the studio or let the front desk know prior to the start of class. This will allow us to work with you and the instructor on a plan. NCDS wants to help all dancers feel their best. Depending on the injury or severity of the injury, NCDS may request a medical provider's note to excuse a dancer from sitting out of class as well as a medical provider's note allowing the dancer to participate in class. Injured dancers should still attend class and participate by observing.

STUDENT EVALUATIONS

Instructors evaluate dancers in the Spring to ensure the leveling of each dancer is appropriate for each dance genre. We want each of our dancers to succeed and be the best. Therefore, leveling occurs when muscle memory, endurance technique and artistry through phrasing of movements is mastered. If a parent has questions or concerns about their dancer, please see the front desk or send an email to the studio to set up a time address the questions and concerns.
